Please note that, to ease contract and project administration, we are using 2025 to switch from an annual mid-year cycle to a two-year calendar cycle. This budget and its accompanying concept note therefore only cover half a year, from July 2025 until December 2025 – this is the first part of the switch. For 2026 and 2027, we will then switch to a two-year concept note and budget – the second & final part of the switch.
