Please note that, to ease contract and project administration, we have used 2025 to switch from an annual mid-year cycle to a two-year calendar year cycle. The previous concept note and its accompanying budget covered half a year, from July 2025 until December 2025 – this was the first part of the switch. This concept note and budget, now cover 2026 and 2027 for a two-year cycle – the second & final part of the switch.
